

Virtual primary care is here

Managing your health with a primary care provider (PCP) is easier when you have more ways to access care.

Get to know a PCP, virtually

A primary care provider is the doctor who knows you best, the one you turn to for everything from routine checkups to help with chronic or complex health conditions. Now, through myuhc.com[®] or the UnitedHealthcare[®] app, you can choose to connect remotely with a virtual PCP—and their team of health care professionals.* Make an appointment 24/7 to start your virtual primary care relationship today.**

You can see the same virtual PCP for:

- Preventive care
- Checkups for ongoing conditions like asthma, diabetes and more
- Follow-up visits

Benefits of virtual primary care include:

- A provider you can see on an ongoing basis
- A Care Team who'll guide you, when needed, to in-person care such as labs, imaging, specialists and more
- A Care Team who'll work with you and follow up to ensure you're taken care of

Find your virtual primary care provider by signing in to myuhc.com or the UnitedHealthcare app today.
