File your claim quickly and easily at myCigna.com[®] or on the [myCigna](#)[®] App.*

How to prepare your claim

Refer to the product-level **Claim Filing Checklists** for information and documentation to prepare ahead of filing a claim. Each checklist highlights the specific documentation needed to process your claim. Once you've obtained the necessary information, you can start your claim.

TIP: Consider filing your claim after completing all medical care related to your medical event. You can file anytime during the plan year.

After you file

Once all requested information is received, a Claims Advocate will review your claim and follow up if additional information is required to process the claim.

How am I notified of the decision?

If the claim is approved, you will receive an Explanation of Benefits (EOB) or approval letter advising you of the decision. If the claim is denied, you will receive an EOB or letter explaining why the claim was denied and instructions on how to appeal the denial. The documents will be available in the claim status section on **myCigna**.
