

Quest[®]

Transform your health

Schedule your screening today

What screening participants are saying:

"I had normal BMI, glucose, and waist measurements. But it's not your appearance that matters, it's your numbers. My screening gave me the knowledge I needed to take action and prevent a type 2 diabetes diagnosis."

– Kylee, Product Implementation Manager

Take charge of your health

3 in 5 US adults have avoided or delayed in-person healthcare during the pandemic¹

67% of Americans have a chronic health condition, and nearly 1 in 3 say their condition has worsened since the pandemic began¹

2 in 5 Americans are concerned that they may have an undiagnosed health condition¹

We're here to help you own your health. Visit My.QuestForHealth.com and schedule your screening today!

1. Data is from a survey conducted online by The Harris Poll on behalf of Quest Diagnostics between November 10-12, 2020 among 2,050 US adults age 18+. To learn more, visit Newsroom.QuestDiagnostics.com.
